

# ASC Z97 Update

Last meeting held on October 14 & 15, 2008 in Detroit, MI

- A motion was made and passed for Standard Compilation and Full Review Ballot and public review
  - The ballot (B09-0130.01) was made available February 10, 2009 and closes on March 20, 2009
- Next meeting: TBD

## Membership

- 37 primary members; 25 alternates; 2 observers

## Ballot Results

- Affirm members for all task groups – Passed
- Membership of three additional members – Passed
- Affirm changes to ASC Z97 Procedures – Passed
- Affirm Scope, Purpose and Limitations – Failed on recirculation
- Membership Ballot (M07-0911.01) – Passed

## Technical Interpretation

- One request for clarification on the boil and impact samples of laminated glass needing to be the same construction (i.e., individual lite thickness, interlayer thickness)
- A response from the Steering Committee is due back by March 6, 2009

## Website [www.ansiz97.com](http://www.ansiz97.com)

- January 1 – December 31, 2008: 9,504 total “Visits”
- On-line voting section for members is the only method for voting

## Scope Committee Task Group

- Due to the failure of recirculation ballot B07-0720.01RC, the Scope Committee Task Group has completed its duties

## Testing Requirements and Acceptance Criteria (TRAC) Task Group

- Task group met during the October 14 & 15, 2008 full committee meeting – a motion was made and passed at the full committee meeting to include all changes submitted by the TRAC working groups (Center Punch, Mode of Breakage and Weathering) to ballot

## Labeling Task Group

- Members of the task group were polled and no revisions are proposed at this time

## Reference Standards Task Group

- Standards will not have year associated with them in the body of the document; instead, language – similar to that used by the ICC – will be inserted in the forward of the standard and a table will be added to the back of the standard indicating the appropriate standard reference, title and publication year being cited by the standard

## Steering Committee

- Last meeting held on October 14, 2008 in Detroit, MI
- Next meeting TBD
