

Citation of Language from ANSI Z97

Regarding citation of ANSI Z97.1 standard within corporate materials, we are always happy to have our information cited, although duplication of the document in any significant part (more than one section) or in its entirety is not permitted. We do request that, when utilizing language from standards, you do not alter the language of the standard being used and you correctly cite ASC as follows:

From ANSI Z97.1-XX, "DOCUMENT NAME", copyright Accredited Standards Committee (ASC) Z97; 800 SW Jackson St Suite 1500, Topeka, KS 66612 – 1200. A copy of the complete standard may be obtained from www.ansiz97.com.
